

Good Practice for Sustainable Logistics

Environmental Statement (Version 1)

(Insert Company Name) believes that we have a corporate responsibility to limit the environmental impact of our commercial activities for the benefit of the wider community. We will measure the environmental impact of our business activities and introduce appropriate measures to annually reduce these impacts on an on-going basis. We will engage with and encourage our business partners to work with us to reduce the environmental impact of their activities in order to secure long term global sustainability.

(Insert Company Name) key environmental impacts are in the following areas (for example):-

- Energy use
- Waste generation
- Emissions to air and water
- Emissions to air and water
- Water use
- Transport both direct and indirect
- Procurement
- Disposal of capital equipment
- Use of environmentally damaging items

The Company shall:-

- Adopt the highest environmental standards in all areas of operation, meeting and exceeding legislative requirements
- Assess our organisational activities and identify areas where these impacts can be minimised
- Minimise waste through careful and efficient use of all materials and energy
- Purchase sustainable products where possible
- Publicise our environmental position
- Train employees in good environmental practice and encourage staff to actively participate in the scheme
- Reduce risks from environmental and health and safety hazards for others in the vicinity of our premises or operations
- Adopt an environmentally sound transport policy
- Aim to include environmental and ethical considerations in investment, purchasing and operational decisions where appropriate
- Assist in developing solutions to environmental problems
- Continually measure and assess the environmental impact of all our business related activities.

(Insert Company Name) have conducted impact analyses and from these developed a business plan to achieve the above goals in relation to the above specified business activities. These can be accessed at or copies obtained from (insert appropriate details) (Insert Company Name) will annually review performance and publish these results internally and business partners.
