Glossary

- EHC** Export Health Certificate
- BIP** Border Inspection Post
- OV** Official Veterinarian
- FSA** Food Standards Authority
- EORI** Economic Operator Registration and Identification

7.0
Receive your completed and signed EHC and send a certified copy to your competent authority and EU importer

9.0
Have you labelled your goods correctly?

N

Y

10.0
Your goods must enter the EU through the correct **BIP**.
Check to see the route your goods must take

11.0
Your EU importer now needs to submit a pre-notification on TRACES and upload the EHC

12.0
Complete an export customs declaration via your export agent or do it **yourself**

13.0
Your EU importer also needs to complete an import customs declaration on the EU Customs platform and they need to ensure that they have an EU EORI number

14.0
Send your goods to the EU along with the original EHC

15.0
Goods arrive at the EU BIP where they are checked

If your goods have failed inspection they can then be transformed, re-exported or destroyed

If your goods pass inspection they will then be released to your EU importer
