Operating an authorised consignee temporary storage facility	Check how you can operate an authorised consignee temporary storage facility so you can store goods for up to 6 days, including how to get authorised.	First published.

BIFA would like to thank the Association of Freight Software Suppliers for sharing this information and allowing BIFA to publish it.

Trade Info Alerts 2022

Title	Page Summary	Change Made
Apply for transit simplifications, consignor or consignee status	Use form C1343 to apply for authorised consignor, authorised consignee or other transit simplifications.	If you're applying for authorised consignee status, your approved temporary storage location can now be either an external temporary storage facility, or an authorised consignee temporary storage facility. Forms C1343, C1343a, C1343b, C1343c, C1343d have also been updated to reflect you can now operate an authorised consignee temporary storage facility. The guidance has also been updated about applying for authorised consignor status, and what will happen after you've applied for either status
Using your premises to start or end the movement of transit goods	Get authorised consignor or consignee status to start or end movement of goods under transit at your own premises.	Information has been updated about applying to add locations to your consignee authorisation.
Notice 376: Anti-dumping and countervailing duties	This notice explains anti-dumping and countervailing duties and how to claim refunds where due.	The guide has been updated to include information about how to secure provisional anti-dumping and countervailing duties by a cash deposit, bond or bank guarantee. Information about the safeguard duty has also been added.
Put unique identifiers (UIDs) on your tobacco products	Check what UID's you need for your tobacco products and the specifications they need to meet.	We have replaced all links and references to De La Rue with Dentsu Tracking, who are now responsible for registering and issuing ID codes to businesses in the tobacco supply chain.
Manufacturing and importing tobacco products	What you need to do if you manufacture or import tobacco products in the UK.	We have replaced all links and references to De La Rue with Dentsu Tracking, who are now responsible for registering and issuing ID codes to businesses in the tobacco supply chain
Selling and storing tobacco products	What you need to do if you sell or store tobacco products in the UK.	We have replaced all links and references to De La Rue with Dentsu Tracking, who are now responsible for registering and issuing ID codes to businesses in the tobacco supply chain
Declaring goods and paying tax when using a Freeport customs site	If you're authorised to use the Freeport customs special procedure, you'll need to declare the goods and pay any tax due on goods you move into or out of a Freeport customs site.	We have updated the page to confirm the circumstances where you are not permitted to use simplified customs declarations procedures.

BIFA would like to thank the Association of Freight Software Suppliers for sharing this information and allowing BIFA to publish it.

Trade Info Alerts 2022

Title	Page Summary	Change Made
Making an entry summary declaration	If you are moving goods into Great Britain, into Northern Ireland from Great Britain, or into Northern Ireland from outside the EU, you'll need to make an entry summary declaration.	The section 'Before you submit a declaration' has been updated with information on when the new import controls regime will be introduced. When using the Goods Vehicle Movement Service, the inclusion of any safety and security declaration reference numbers is an optional step.
Check if you need to make an entry summary declaration	Find out if you need to make an entry summary declaration if you are moving goods into Great Britain or Northern Ireland directly or from Great Britain to Northern Ireland.	You do not need to make an entry summary declaration for goods imported from the EU and other territories from which a declaration was not required before 1 January 2021. The government will publish a new target operating model of border controls in Autumn 2022. This will aim for the end of 2023 as the introduction date for the new regime.
Find out when to make an exit summary declaration	If you're moving goods outside the UK, you'll need to make an exit summary declaration if you've not fulfilled safety and security requirements with a full customs export declaration.	Information about when an exit summary declaration is required and not required has been updated. The section 'After you've submitted' has been updated to explain what you can do if you are departing through a location which has chosen to use the Goods Vehicle Movement Service.
Authorisation type codes for Data Element 3/39 of the Customs Declaration Service	Find codes which identify the type of customs authorisation held (Appendix 6).	Authorisation type code LVBI has been deleted as it is no longer in use. Authorisation type codes BRD, EXRR, FP, FTI, UKD and UKTS have been added to the list of authorisation type codes.
Notices made and draft notices to be made under the Taxation (Cross-border Trade) Act 2018	Notices made which have the force of law and the draft text of notices that will be made under the Taxation (Cross-border Trade) Act 2018.	'Notices made under the Taxation (Cross-border Trade) Act 2018' has been updated with new form versions.
Notices made under the Customs (Import Duty) (EU Exit) Regulations 2018	Notices made under the Customs (Import Duty) (EU Exit) Regulations 2018 which have the force of law.	'Notices made under the Customs (Import Duty) (EU Exit) Regulations 2018' has been updated at section 17, with a new Public Notice about customs declarations to the free zone customs procedure. 'Draft Public Notice to be made under The Customs (Import Duty) (EU Exit) Regulations 2018' has been removed.
Notices made under the Customs (Special Procedures and Outward Processing) (EU Exit) Regulations 2018	Notices made under the Customs (Special Procedures and Outward Processing) (EU Exit) Regulations 2018 that have the force of law.	'Notices made under the Customs (Import Duty) (EU Exit) Regulations 2018' has been updated to show new form versions.

BIFA would like to thank the Association of Freight Software Suppliers for sharing this information and allowing BIFA to publish it.
