

Join your local Young Forwarder Network organising committee

Introduce your ideas and knowledge and grow
the Young Forwarder Network in your area.

We have several vacancies in Heathrow, London East, Anglia and the Midlands. The roles are voluntary but come with the freedom and flexibility to try new ideas and initiatives. Your participation will influence the further growth of the Young Forwarder Network in your region.

The local organising committee will meet every quarter (online or in person) for approximately one hour to discuss a range of issues related to the activities of the local Young Forwarder Network and other regional events.

The commitments are:

- Committee members are required to contribute ideas and feedback
- Attend at least two local organising committee meetings per year and at least three Young Forwarder Network professional development networking events per year.

If you are employed by a BIFA member company and would like to be part of a young professional network and work with likeminded young people, then contact Nezda Leigh to register your interest on n.leigh@bifa.org
